

How I Spent My Day: Solar Car Self Evaluation

Name _____ Period _____

Partner's Names _____

Today's Date _____

What I accomplished today towards the goal of building the fastest solar car in my class: (be specific)

How would I rate (from 1-3) my use of class time today in terms of helping my group reach the goals of the day? Circle 1: **1 2 3**

3. Great/I was on task the whole class **2. Pretty Good** /I was off task a little **1. Not Very Good**/ I was off task a lot and did not meet expectations of my group

What could I do to improve my contribution tomorrow?

Please have your team members circle agree or disagree and initial below to show whether they agree with your self-evaluation.
